

Grounds Manager Job Description STONEWATER

Updated: Dec 2021

Youth Dynamics Mission Statement:

To invite and challenge youth to a lifelong adventure with Christ and His church.

Position Overview:

The Grounds Manager will be responsible for the maintenance and upkeep of the lawns and grounds at Stonewater. This position will directly impact the ministry at Stonewater by creating a beautiful and functional property for students and groups to use and enjoy. The ideal applicant must be independent, self-motivated, and be capable of working alone. This is a flexible part-time Spring-Fall position.

Primary Responsibilities:

1. Mowing lawns
2. Trimming lawns
3. Raking
4. Blowing
5. Fertilizing
6. Rodent management
7. Brushing
8. Weed management

Preferred Knowledge, Skills and Abilities:

Must be 15 years or older. The Grounds Manager must be capable of safely and effectively operating riding or push-behind lawn mowers, weed whackers (string and blade), backpack blowers, and chainsaws. (A general knowledge of small engines preferred). They must know how to use fertilizers, herbicides, and rodent pesticides. (herbicide and pesticide license preferred).

Job Requirements:

The Grounds Manager must be able to work independently as well with others, and be flexible with scheduling that will work around guests and events. They must be able to follow directions, understand details, and finish tasks once started.

Job Type: This position is part-time (20 hours a week) and seasonal (Spring to Fall)
