

Multimedia Specialist

Updated September 2023

Position Overview:

Youth Dynamics' vision is to see youth transformed by the power of Christ, integrated into the local church, and impacting their world for Him. This full-time ministry position exists to support this vision by writing, producing, and sharing the many stories of Youth Dynamics. This position is funded by personal support-raising.

Youth Dynamics is seeking a full-time multimedia person with strong writing and video skills to help capture and share the ministry impact to various audiences. We are looking for an inquisitive writer and videographer to learn and help capture our overall story, then share it through various platforms including email, blog, newsletter, website, social media, video, photography, and podcasting.

Traveling to various ministry locations is required for this position to participate in community ministries and adventures (e.g. whitewater rafting, rock climbing, hiking) to gather stories from students, volunteers, and staff. Ideally, this position will work out of the home office located in Burlington, Washington, but would consider remote placement for the right candidate.

If you desire to serve in a Christian workplace and use your skills to help fulfill the mission of Youth Dynamics, this could be a great opportunity for you. This position is an exciting opportunity to join and impact a growing and vibrant Christian organization who has been impacting youth eternally for Jesus since 1970.
