Battling for the Lives of Today's Youth

Dear Friends,

"To reach a student today is much more difficult than it was in the past. We are in the battle for the lives of American youth," wrote Paul Evans, the founder of Youth Dynamics, back in 1990. Thirty-two years later, the battle for the lives of youth is more difficult than ever.

It is a battle between good and evil, hope and despair, and quite literally, life and death.

Ben, for instance, is a middle school student who was first on the scene after his mom committed suicide. Or Caleb, another youth whose parent's recent divorce tore his family apart. Or Samantha, a high school student who has been in a psych ward twice lately after having suicidal thoughts. These are but three of thousands of stories.

This is why Youth Dynamics exists. We exist to step into these battles, love kids unconditionally, adventure together, and help them discover life in Christ. Jesus modeled this love for us. He says, "We love because He first loved us." (1 John 4:19).

We love Ben, Caleb, and Samantha. We love all the kids involved in Youth Dynamics, and we are so blessed to be in relationships with them.

I like how Ben puts it. We asked him what he likes most about the ministry, and he responded, "God is there, and people there love God."

Our staff and volunteers are battling for kids' lives every day, and we cannot do it without your support, encouragement, and prayers. They fuel everything, and we are so grateful for you.

Warmly in Christ,

Tom Davis

President
Youth Dynamics

Prayer Request:

Please pray for:

- All of the youth in your area and those coming into contact with Youth Dynamics.
- Staff as they minister to youth.
- Youth to enter into church community with believers and Jesus.

P.S. Thank you again for your support. It is a difficult and challenging time for our youth, but God is moving in powerful ways.

"We love because He first loved us."

Stonewater Adventure School

The Stonewater Adventure School is a unique and thoughtfully developed program that provides a safe, engaging, and adventure-centric learning environment for self-discovery, leadership, and faith.

In an interview with Ollie O'Brien, Associate Adventures Manager at Stonewater, Mackenzie shares her experience as a student in the first Stonewater Adventure School.

"Mackenzie, what brought you to Stonewater Adventure School?"

"Definitely a combination of the adventure, discipleship, and ministry aspects. This is basically everything I love combined."

"What was a defining moment, and what has God shown/taught you that will effect you beyond these five weeks?"

"I got baptized during the program! God has shown His love for me and His faithfulness to provide in every situation and has answered many prayers. He has also taught me so much about His goodness and salvation."

Ollie gives Mackenzie a high five.

"It was the best experience of my life."

- Mackenzie Ward

Mackenzie Ward

"How did you see God working within the other members of the community?"

"I saw the passion that was developed throughout the five weeks for getting to know God more. I saw people growing in confidence, in prayer, and in leadership."

"What is next for you?"

"I will continue pursuing God and the call He has given me to pursue adventure youth ministry through a year-long internship with Youth Dynamics."

The five-week course integrates Bible teaching and worship with outdoor technical skills and wilderness adventures. The goals are to increase personal faith, Biblical knowledge and application, self-discovery, personal responsibility, teamwork, and leadership potential. Visit our website to learn more!

A New Adventure Base!

Over the past few months, a huge project has been underway for Youth Dynamics. With our faithful Lord laying the foundation and generous donors stepping in to make it happen, Youth Dynamics is now closer than ever to having a fourth adventure base close to the Salmon River in Idaho!

Youth Dynamics has been using the Salmon River as a part of its ministry to teens for over twenty years. Right now, leadership is working diligently on pursuing the opportunity to own a commercial permit for the Salmon River. This will allow Youth Dynamics to work in a region with very little ministry outreach to the local communities. It will also bring equipment and the ability to take more trips with more students, guests,

families, and donors! The Lord is already sending staff to work at the adventure base as well as in the surrounding communities.

Praise be to God!

Danny's Story

A new house, a new state, nothing was familiar. The uncertainty of his life caused anxiety, and the future felt like an unknown night coming close. Danny* managed to pull through the change with a maintained bond between his siblings and a hope built by faith.

Over the years, he observed his older siblings' involvement with Youth Dynamics. Waiting for his turn, he fell in at the right age wholeheartedly and engaged willingly. With a sweet personality, endearing smile, and eagerness to be a part of Youth Dynamics, Danny found a community that supplemented his life. But the adventure was just beginning!

With the help of generous donors, Danny applied for and was awarded a scholarship to go on a seven-day rafting trip on the Salmon River this past summer. On this trip, staff noticed a shift in Danny's paradigm. His eagerness to help came from a heart of gratefulness and service to others rather than a sense of duty. He also displayed focus and appreciation during the quiet times of Bible study.

At the end of the trip, when it was his turn to share his big takeaway, he said that he realized how important it was to bring the habits he learned on the river trip into his daily life at home.

Danny continues to spend time with his personal Savior while reading his Bible.

Students spend quiet time reading the Bible every morning on the Salmon River.
